1. Introduction

Welcome to **Giggle Garments**, your online destination for children's clothing. This user manual is designed to guide you through the features and functionality of the Giggle Garments web application. Whether you're looking to browse through categories, manage your cart, or complete a purchase, this guide will help you navigate and make the most out of the platform.

2. Navigating the Website

Navbar Overview

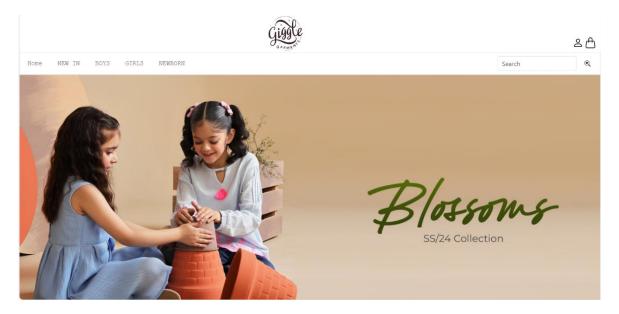

At the top of every page, you'll find the **Navbar**, which provides easy navigation to different sections of the website. It includes the following links:

- Home: Returns you to the home page.
- New In: Displays the latest and most updated products across all categories.
- Boys, Girls, Newborn: Navigate to clothing sections based on the age and gender of the child.

Search and Cart

On the right corner of the navbar, you will find:

- Search: Type here to search for any specific article or product you are interested in.
- Cart Icon: Displays the number of items added to your cart. Clicking it allows you to view, modify, or proceed to checkout with your selected items.
- Account Icon: Access your account or register/login here. Even without an account, you can make purchases.

Footer Information

At the bottom of every page, there is a **footer** with three sections providing further information and resources:

• Our Brand:

- O About Us: Learn more about Giggle Garments.
- > FAQs: Frequently Asked Questions.
- O Blogs: (Currently unavailable, reserved for future updates).

• Customer Care:

- O Contact Us: Get in touch for queries or concerns.
- o Exchange Policy: Understand how exchanges work.
- Privacy Policy: Learn about data privacy.
- o International Policy: (Reserved for future updates).

• Where to Follow Us:

O Social media handlers for Twitter, Instagram, LinkedIn, WhatsApp are displayed (non-functional for this project).

3. Category Pages

When you navigate to a category page (e.g., Boys, Girls, Newborn), you'll see **product cards** for each item in that category. These cards contain:

- Image of the product
- Product Name
- Product ID
- Price

New In Category

The $New\ In\ section$ is a mixed category that includes the latest additions from all categories (Boys, Girls, Newborn). It showcases the most recently updated products on the site.

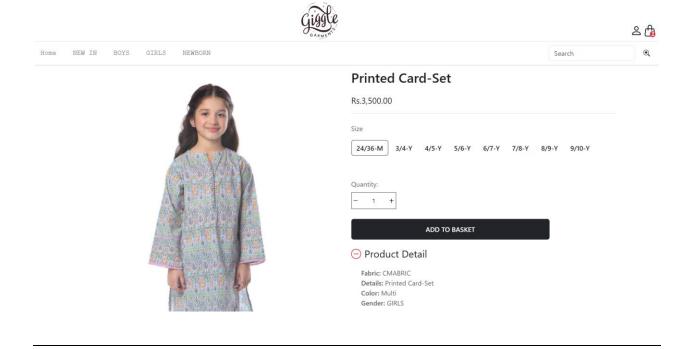

4. Viewing and Selecting Products

When you click on any product, a detailed **Product Page** will be displayed. Here, you can:

- View additional product details, including fabric type, color, and other specifications.
- Select a size from the available options.
- Choose the quantity you wish to purchase.
- Add the item to your cart by clicking the Add to Cart button.

Upon successfully adding an item, the cart count (visible on the cart icon at the top right) will update.

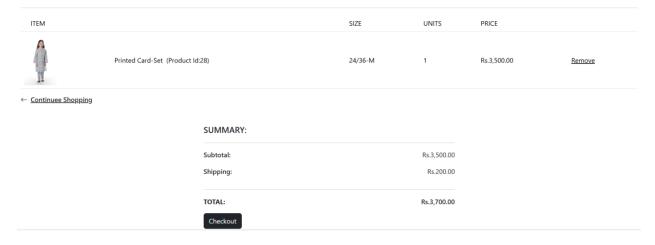

5. Cart Management

The Cart Page allows you to:

- View all products that have been added to the cart, along with their details such as price, quantity, and size.
- Remove any items you no longer wish to purchase by clicking the *Remove* button next to the product.
- The **total price** of all items in the cart is displayed at the bottom. You can easily adjust your items if you exceed your budget by removing items from the cart.

SHOPPING CART

6. Checkout Process

Once you're satisfied with the items in your cart, click on **Checkout**. You will be directed to a form where you need to provide **shipping details**. After filling out the required fields, click **Confirm** to complete the process.

Upon successful checkout, an **order receipt** will be generated confirming the details of your purchase.

7. Account and User Registration

While browsing or purchasing, users can either:

- Register for an account to save their cart and preferences.
- Proceed as a guest user to place an order without creating an account.

Benefits of Registering:

- Persistent Cart: Registered users can access their cart at any time, even if they log in from a different device.
- Order History: Keep track of past orders through your account dashboard.

For guest users, the cart will remain saved only while the user is on the site. Once the browser is closed, the cart will be cleared.

8. Admin Controls

The web app features an **Admin Account** for managing the store's products and stock. Through the admin panel, the administrator can:

- Add new products to the site.
- Update or delete existing products.
- Manage stock levels to reflect real-time inventory.

Admin users are granted these privileges to ensure the site remains up to date with the latest offerings.
